MONOCLE

Debbie,

I'm glad I had you in a couple of my classes ~~[illegible]~~ this year. They wouldn't be the same without your giggle every once in a while. Hope ~~[illegible]~~ to see you this summer. Have a great time but don't get to out of hand. Try to make it through the summer in one piece okay?

See you next year

A.F.A.

Sharon Hibbard

Debbie,

Well I didn't really know you that well in school but I'm glad I had you in a couple of classes this year. I still can't get over how much you look like Mary Mullin. Probably an identical twin or something. Have a fun and safe summer. Maybe I'll see you sometime, maybe not. Have a great summer. Stay as you are.

A.F.A.

Mary Mullin

Hi Debbie,

It's been some year hasn't it? Lunch, classes, my car, and you. I'm glad I had you in a couple of classes this year. I'm sorry I didn't get to know you better. Maybe next year we can get together and talk. Have a great summer. See you next year.

Debbie Burke

Deb.
I am really glad I got to know you. This summer you'll have to get a bunch of kids and come out and we'll take our boat to the big island and party all day. Hope you have a super summer.

A.F.F.E. really

Kim
Brown

Deb even though we only met you this year I feel like I've known you for a long time. I can't wait till this summer. Remember all the times we had over the summer, we've had a lot of fun times and even though we went our separate ways we got together with our families and friends. Remember the time we went camping and you got sick and had to go home? Remember the time we went walking around the island and you got sick and had to go home? Remember the time we went to the pizza parlor and you got sick and had to go home? Remember the time we went to the drive-in movies and you got sick and had to go home? Remember the time we went to the dance and you got sick and had to go home? Remember the time we went walking around the island and you got sick and had to go home? Remember the time we went to the drive-in movies and you got sick and had to go home? Remember the time we went to the dance and you got sick and had to go home? Remember the time we went to the pizza parlor and you got sick and had to go home? Remember the time we went camping

Debbie,
I guess I can't
stay mad at you
for the rest of
my life so why
don't we just forget
about all our fights
And start a new friend-
ship. I don't think
we will be as close as
we were but we can try.
Hope you have a super
summer and maybe I'll
see ya this summer.
Chris
Friedenfels

Dear Chris,
I'm glad
we had this
talk. I hope
we do see
each other
this summer.
Good luck
to you too.
Debbie Dohring

Dear Debbie,
Well I guess this is
it. I'm sorry we had
to part this way but
I'm glad we had this
talk. I hope we do
see each other this
summer.

MONOCLE

Hi Deb,
Your a really super friend and we had fun the dances this year and other things we did together. This summer why don't you come out to my place and we'll do something. I'll hope we can work something out. Have a super summer and take it easy ok.

Deb,
Well our frosh. year is behind us, finally. Yeah!
It was pretty much fun, except we should have had a lot more parties. But we can do that this summer.
O.K.? The dances were fun & so were the games.
We'll have to drown each other at the pool this summer, O.K?
Hope to have you in some classes next year. See ya around!!!

Homecoming 1976

The 1976 Homecoming activities began Monday, September 26. Activities on this day included the selling of the first homecoming button to Dr. Stewart, "Carrot Crunch" day and the designing of floats after school.

Tuesday was bib day. Students and teachers took part by either wearing bib overalls or a baby bib. The halls looked like they had been invaded by farmers!

Wednesday was Tie day and no discrimination was shown on the girls part. Both boys and girls showed off their colorful and sometimes unusual ties. Competition for hall decorations took place Wednesday night. The Sophomores and Juniors tied for first place.

Thursday found us in T shirts, jeans and sneakers. Teachers were no exception. Many of them had T shirts especially made for the occasion. Their red shirts proclaimed "Chi Hi Teachers Have Class." The day ended with a snake dance from Junior High to Chi Hi, followed by a dance in the new gym.

Friday the excitement came to its peak. Students showed their spirit and pride by Wearing red and white. The Pep Assembly began at 1:30. At this event, the crowning of the King and Queen took place. The classes also put on skits. Many cheers were led by our enthusastic cheerleaders. The parade that evening, with about twelve floats was a spectacular event. Chi Hi suffered a defeat at the hands of LaCrosse Central. The grand finale was a homecoming dance.

All in all, it was a homecoming not to be forgotten.

TOP TO BOTTOM The Junior Class really outdid themselves with their float and received FIRST PLACE.

The French Club received SECOND PLACE.

The Freshmen received THIRD PLACE for their float.

Deb,
I'm glad I got to meet you're a real sweet person. I hope you and Tom stay together because I think you make a good couple. Were going to have to go to parties together this summer. We're also going to have to go bike riding or to the park some-time. I hope to see you this summer. But if I don't I'll always see you next year. I hope I have you in some classes next year because I never had none with you ~~this~~ year.

CLASS MOTTO

LIFE IS A PICTURE–
PAINT IT WELL

High School days have finally come to an end for the class of "77". Those many journeys through the halls of Chi-Hi have left a mark both in the minds of the graduating Seniors and in the minds of those teachers, administrators, and students who the Seniors have encountered.

As graduation nears, we remember both the good and bad times at Chi-Hi. The day we flunked the big test, the day we met a new friend. Trading Senior pictures brings back memories of these four golden years.

As we prepare to leave, we realize; life is a picture–we must paint it well.

UNDERCLASSMEN

Deb
You are so rowdy most of the time in Science that it's funny we all didn't get kicked out. I did get to know you better this year and I hope to know you even more next year. The fight we had didn't last all that long and at least I still talk to ya. (not really) You and Chris had some dandy fights But some couldn't be helped. I hope you and Tom can get back together because even though everone likes him I still think that he likes you. I hope also that your friendship with Teca last forever and ever. Cause I know how much you mean to each other. well I wish you a wonderfully great summer. and I know I will see ya sometime

Juniors

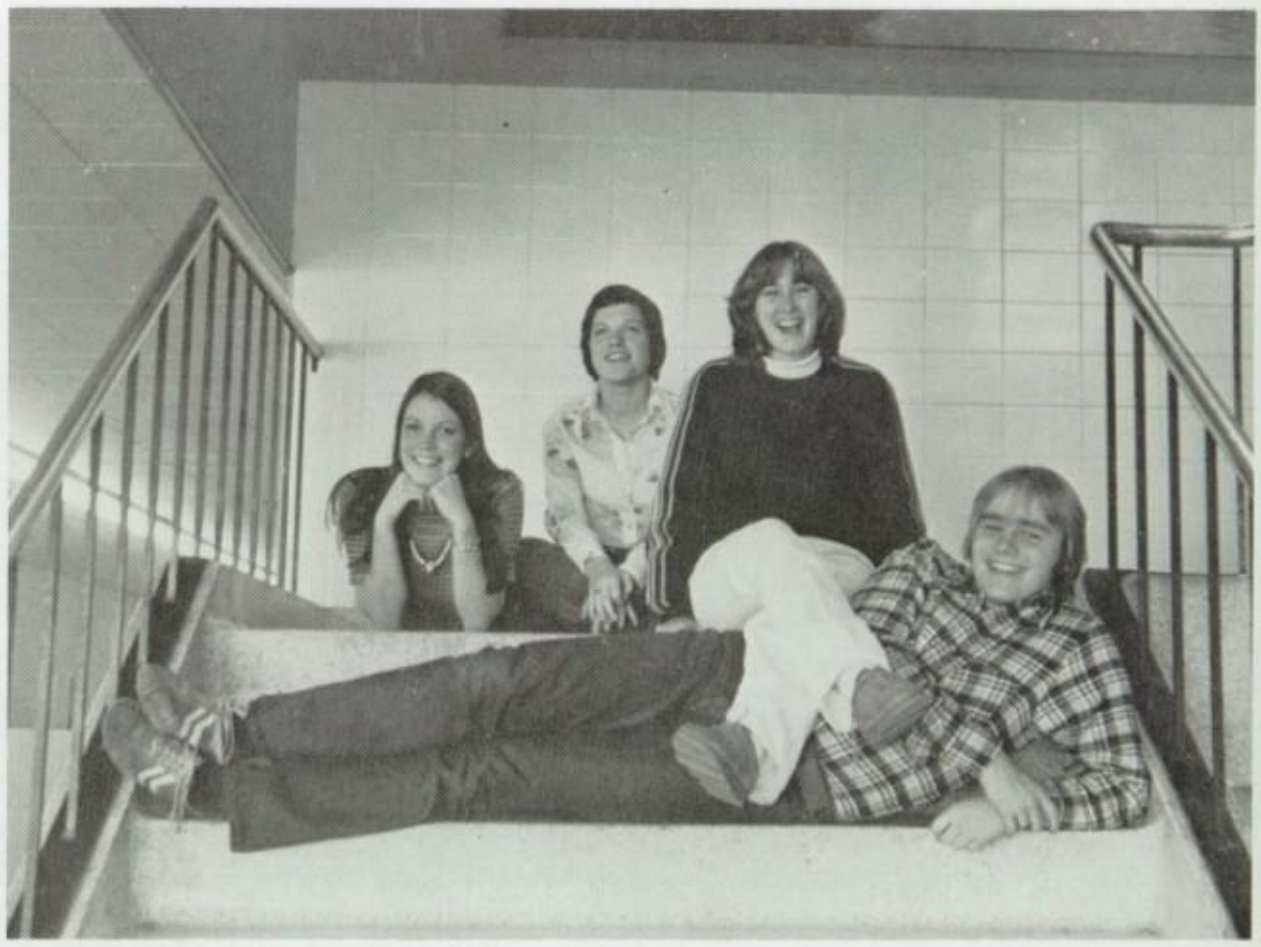
Juniors had a busy year working on the traditional activities of Chi-Hi. Some of the activities included Homecoming, Midwinter, and the annual Junior Prom held in the Spring. Advisors this year are Mr. Joe Korte and Mr. Mike Diffendorder.

In this years Homecoming activities the Juniors took a sweep of victories. First place in the skit, tie for the first place on hall decorations and first place homecoming float.

Another big event for the Juniors was receiving their class rings early in the year.

The Junior Prom was a beautiful event. It is traditionally known as a farewell to the Seniors, sponsored by the Junior Class.

Juniors next year will be at the top– Seniors. They will encounter many new experiences such as trading Senior pictures, ordering announcements, picking out class colors and their motto. The crowning glory is graduation.



Officers: Roxie Rice, Sec.; Lynn Pickerign, Vice Pres.; Doreen Eckright, Pres.; John Knapp, Treas.

Junior cheerleaders ride in Homecoming parade.

Sewing is one of Debbie Mayers favorite past times.

The year has come and gone for us. We are one year older and one year wiser. When we started at Chi Hi two years ago, we knew little of what made a large school like this run but we found out in short order. There were new faces for us to meet, new subjects and new challenges to face. There were many groups and activities to get involved in and we did our part. We will do better next year.

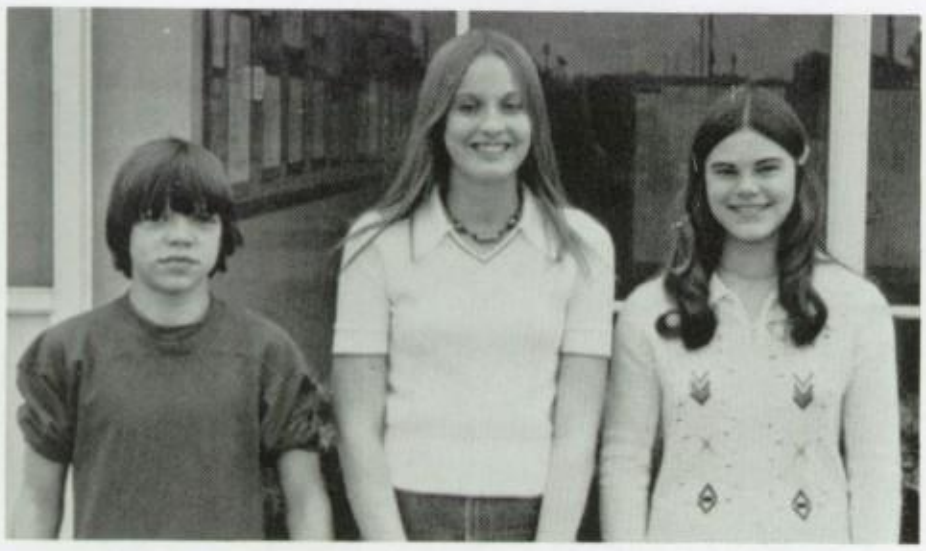
Freshmen



Vice President – Kent Pickerign, President – Rhonda Poirier, Treasurer – Nancy Vader

Freshmen entered Chi-Hi with wide eyes this year anticipating the many new and different activities available to them as Senior High School students. They actively took part in homecoming activities, including the skits, hall decorations and floats. Their float won third place in the homecoming float competition. The class of '80' have the honor of being the last freshman class to enter Chi-Hi. Starting in the 77-78 school year, the freshmen will be part of the new middle school. Sorry to say, they will be the underdogs another year due to this change but it adds to their eagerness to become Juniors when they can exclaim "We are upperclassmen!"

Cardinal Band

The Cardinal Band, under the direction and leadership of Mr. Howard Elliott, is a group made up of mostly Junior and Senior Students. The band performs many times throughout the school year. Practice usually starts late in the summer so members can be prepared for the many activities that the coming of school brings.

Their performances during half-time at football games made the games much more exciting. The band participate in many parades throughout the year and annually compete in the Wisconsin State Music Association contest in which they always do well. They are a group that Chi-Hi can be proud of!

Wake up Roger! It's Time to go.

Cardette Band

The Cardette Band is made up of Freshmen and Sophomore Students. It is a stepping stone to achieving the ultimate goal—belonging to the Cardinal Band.

Practice takes place 5th hour every day to prepare for concerts and parades. They participate along with the Cardinal Band in the Wisconsin State Music Association contest each year. They work hard to perfect themselves as individuals as well as a group

Pep Band & Carolers

The PEP BAND is made up of members from the Cardinal Band. They perform at our Pep Rallies and Basketball games. It is an honor to be in this group and we are thankful to have a group like this who gives of their time and talents to make activities more enjoyable.

If you hear the song "Silent Night" coming from the Chorus room in October, you need not be surprised. It's the CAROLERS practicing for their busy schedule in December. Easily identified by their red and green caps the fifteen members perform for many social groups, as well as, at the Choral Christmas Concert. Members are chosen from the Cardinal Choir and work very hard to perfect the beautiful Christmas songs. CONGRATULATIONS FOR A JOB WELL-DONE!

Some Good Mixins

Madrigal and Barbershoppers are two groups which add excitement to the Choral Department.

Madrigal also known as Swing Choir is made up of 16 people both male and female from the Cardinal Choir. They perform for many social activities as well as at the Choral Concerts. They have done an excellent job at the State Music competition and will continue to do so for many years to come.

Barbershoppers "bring back the old songs." They sing for community activities and concerts. The members, all male, must have an interest in music and enjoy singing. They are an enjoyable group to watch and listen to.

Cardinal Choir

A great way to spend a morning is singing. Third hour provides the chance to do so for the 74 people in the Cardinal Choir. Members work very hard to prepare for their concerts, the Cabaret, and this year the musical, which was a great success.

Under the direction of Mrs. Mary Sazama the choir competes in the WSMA every spring. They have been very successful in this competition, and have always placed FIRST. Hats off to a fine group.

Treble Choir

A blending of girls voices makes up The Treble Choir. Under the direction of Mrs. Mary Sazama, the choir meets everyday, 6th hour to prepare for their many concerts, the Cabaret and the Wisconsin State Music Association contest. Freshmen and Sophomore girls make up most of the choir. After 2 years in Treble Choir members are promoted to the Cardinal Choir, an exciting achievement, not to be taken lightly.

Athena

Athena, the oldest organization at Chi-Hi, was organized in 1911 as a "literary society." The purpose of the club was to cultivate social and literary tendencies among its members. The names of new members were proposed by old members, and eligibility was determined by a vote of the faculty on the basis of scholarship and general deportment and attitude in school. Membership was restricted to forty girls from the junior and senior classes.

Today membership totals approximately 75. Members are invited to join on the basis of accumulated grade point average (3.4) and participation in diverse school activities.

This year Athena sponsored a dance, held its initiation, and was in charge of Mid-Winter Prom, a Mother-Daughter Tea, a club trip, and the "Swing Out."

The Athena has presented scholarships to one or more of its graduating seniors each year in line with its purposes of inculcating and incouraging ideals of excellence in its members, promoting good fellowship among its members, and extending opportunities for education.

Mid-Winter Prom

Saturday, January 8, Athena sponsored the Mid-Winter Prom held from 8:30 to 11:30 at the Elks Country Club, which was beautifully decorated for the occasion. Music was provided by Pzazz, "Precious and Few" was the theme.

The Prom was a girl-ask boy affair. Because of the limited amount of space at the Country Club, only 125 tickets were sold. Parents of the court were honored guests.

Refreshments were served and each girl attending was presented with a memento of the Prom as she left.

On Friday, January 7, the Queen was named and crowned at the Pep Assembly. She was also crowned at the Prom the following evening. The Court this year consisted of: Queen, Linda Woodruff; King, Scott Nelson; Marquita Bejin, Bob Chance, Laurette Santy, Jim Knapp, Ingrid Siri, Glenn Gintz, Jan Thorson, and Scott Mower.

Art Club

During this busy year for the Art Club, its members received third place for their decorated Homecoming car, painted the Wagner Street "Wall" and made the decorations for "Cabaret."

The art club meets after school on Tuesday. Every other week during the year workshops are held and the artistic members work in groups or individually or various original projects.

Business Club

In its ten years of existence, the Business Club has encouraged careers in the office education area. This year, the club sponsored a candy sale to finance a tour of a large modern office in Minneapolis as well as a Christmas project for a needy family.

In the past, the club has had many guest speakers in a variety of business areas such as medical and legal secretaries, and office personnel.

The club usually grants scholarships to two graduating seniors who plan to attend vocational school and to pursue careers in office education.

DECA

DECA enables students to put into practice marketing skills learned in the DE classroom. The club sold oranges and grapefruit this year, ran a concession stand at football games, as well as, the school store and participated in regional and national competition.

It placed first in the state during its first two years of existence and has earned fourth and fifth places in the last two years in the Pepsi Learn & Earn Project. Several participants have been sent to the Nationals.

FHA

The Future Homemakers of America provides a club through which its members can improve their lives personally, socially through service projects and social activities. Its members have taken a home economics course. They utilize the information to save time and money which makes for an easier and better home life.

This year's meetings were held monthly on Monday night. Members actively took part making a homecoming float, working for the March of Dimes, Christmas Party, annual spring trip and the Mother-Daughter Banquet. The club has been in existence for 36 years at Chi-Hi and is growing bigger and better with each passing year.

Officers: M. McNamara, M. Beaudette, K. Fox, D. Gustafson.

Outdoor Club

For three years the outdoor club has been important to the students of Chi-Hi who enjoy outdoor life. During these three years the advisors have been of great help to many students, teaching them the basics of life in the outdoors. The members have learned many things from sleeping in the makeshift tents to baking with a reflector stove by the fire. For this we thank the three teachers who gave their time and energy for the benefit and learning of others, Mr. Keeler, Mr. Holstak, and Mrs. Gustafson. Thanks to these people we were able to make three major trips into the outdoors. These trips included a nature hike, a winter campout and an adventurous canoe trip down the Chippewa River.

MODEL UN is a unique organization in that it combines a bit of acting with a broad knowledge of international affairs to give students some insight into our world situation.

Students in groups of six or eight form a delegation. Each delegation chooses or is assigned a country to represent. Delegations spend much time studying their country's policies to learn how this country would vote on resolutions which might come up at the United Nations Meetings.

A workshop is held at Chi-Hi so that students can come to prepare for the weekend-long, Model UN conference held in Milwaukee each spring.

French Club

"Le Cercle Francias," known to non-members as The French Club, promotes interest in French culture and provides social entertainment. On the first score, the club travelled to the Guthrie Theatre French Restaurant, participated in the French High School Day at the University of Wisconsin-Eau Claire and gave scholarships to Concordia French Language Camp where students adopt French customs and language, eat French food, use French money, learn French games, sports, songs and dances as well as meet French staff members. Socially, the club held its initiation banquet, a Christmas party and spring clinic. The Club's Homecoming float boasts three 1sts and two 2nds in the last five years. One-Act Play

The one-act play this year was entitled "The Little Peasant." The story was about a villiage that had many rich peasants but one poor one. During the play the "Little Peasant" tried as hard as he could to get a cow and in the end he finialy does.

The play started its compitition at North High, there it took an "A" rating. For the compitition at Loyal High it recieved a "B" rating.

Candy Stripers

The Candy Stripers are a volunteer organization which work with the staff and patients of St. Joseph's Hospital. Approximately fifty girls from Chi Hi, Cadott and Mc Donnell give their time each month at the hospital.

Through working in various hospital departments, they gain a wide variety of experiences. Some of the departments Candy Stripers work in include: Dietary, Radiology, Emergency, Physical Therapy, and on the floors.

The girls greatly enjoy their work, and most of them eventually hope to enter the medical field as nurses, doctors, therapists or hospital administrators.

Student Council

Someone once said "Government by the people, for the people shall not perish from the earth." The Student Council functions as the school government, discussing issues and making decisions that affect all of us.

Active participation in our school's government requires time, effort and a willingness to compromise on the part of each individual class representative.

This year the Student Council has been very active in money raising activities to pay for the cafeteria and commons furniture. In addition, their two annual projects, Homecoming and Winter Carnival were also held with great success. Participation by clubs and organizations as well as individuals assures us that both will continue to be highlights of the coming school years.

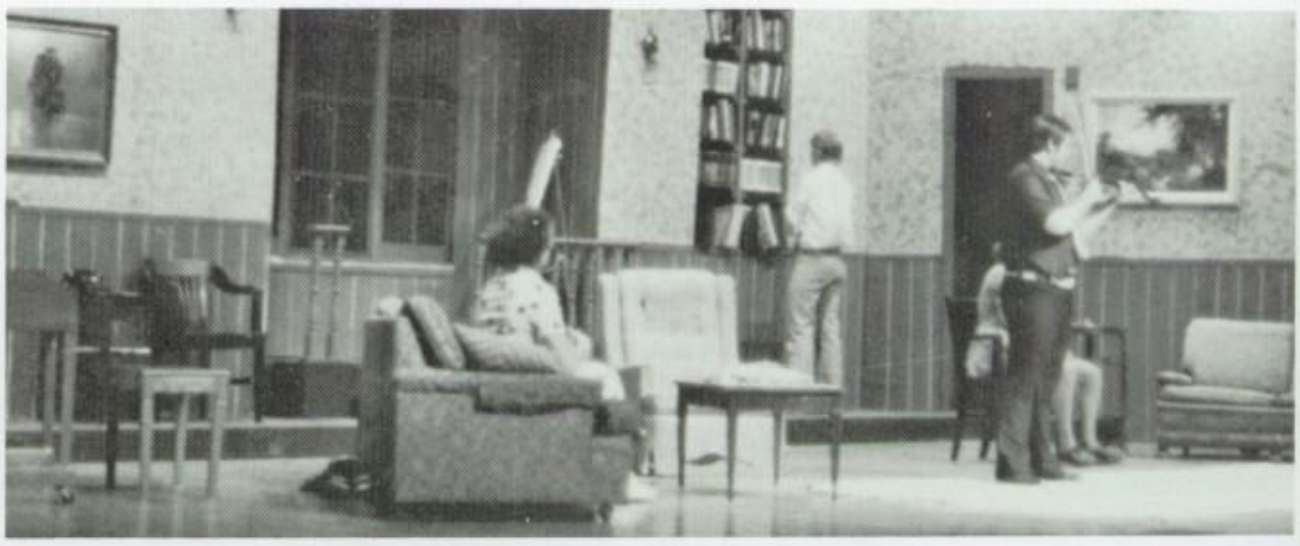
Thespians

The Thespians are a dramatic group which became affiliated with "The National Thespians" in 1936.

They chose one play during the year to work on. The play this year was "The Curious Savage." The cast and crew worked almost everyday for two months. It was hard work, but they got it all together and made it a great success.

We should be very happy to have a fine group like this in our school. We congratulate the Thespians for their fine work.



Where did you learn to play like that Scott?

Varsity Football

The Cardinals had hoped for a better season than they had this year, but it seems they just couldn't put it together. The Cards started out the season with out their starting center Mark Steinmetz. He was lost most of the season with a knee injury. Coach Sivertsen's hope was to capture the Big Rivers title, but that hope was diminished after a few conference games. The outlook for next season remains to be seen when the Cards take the field in 77. This years team should be congradulated though for the great effort they put forth for Chi-Hi.

Gus Dorais Football Field

The dedication of our "GUS DORIAS FOOTBALL FIELD" took place September 17, 1976. We named it the Dorias Field in honor of Charles E. Dorias, a graduate of Chippewa Falls High School.

When the greatest University of Detroit coach of all time, Gus Dorais, was laid to rest at Holy Sepulchre Cemetery, six of his pupils, all former Titan grid stars, carried him to his final resting place.

Only a few years before, these six never thought they would have such a task as this. For Tom Connell, one of the pallbearers, who captained the unbeaten 1928 team and became the greatest scorer in Titan history, it was one of the saddest moments of his life. Some of the happiest memories of Dorais were sparked by Tom during the great era of 1927-29 as the Titans went 22 games without a defeat, against some of the nation's powers.

Among the other pallbearers were John Hackett, captain of the 1931 team, Alex Chesney, captain of the 1938 team, Ed Kukurowski of the 1937 squad, John Shada representing the 1936 team and Art Massucci from the 1930 team.

For the University of Detroit, Gus Dorais was more than just the pioneer of the forward pass, he was "MR. FOOTBALL" himself.

Before Dorais came to the U of Detroit in 1925, the Titans had good football teams on a small scale, but after Dorais took the reins, Titan teams rose to their greatest heights on a major scale.

A stadium was built in Detroit—but the football situation became so dismal over the three year period before Dorais, that for a time he probably wished he hadn't come to Detroit.

Gus had to re-organize football from the ground up, and by the fall of 1927 his efforts had born fruit. The Titans had become a respected power. Notre Dame beat Detroit in mid-October of 1927, but more than two years elapsed before Dorais and his Titans again knew the sting of defeat or even a tie.

Among his greatest coaching thrills Gus listed 7-6 victory over Santa Clara, the Pacific coasts' best in 1938, along with the 24-0 trouncing of Rose Bowl hopeful Holy Cross in 1933.

Basketball

This was a banner year for our basketball team. The hard-hitting Cards launched the season by narrowly defeating the Eau Claire Memorial Old Abes in an exciting 48 to 47 battle. The Cards thus earned their first victory at Eau Claire in twenty-five years!

Although the strong team this year consisted primarily of Seniors, the Cards do have three returning Juniors who will help strengthen next year's squad.

Coach Swenson initiated the highly motivating system of choosing co-captains before each game, thereby providing revolving leadership throughout this highly successful season.

Debbie,
Well, one year of high school has already gone by. Next year there gonna be the big sophomores!! Big deal! We're still gonna be picked on because we were still the youngest. When were Juniors, we can pick on the Sophomore's. The first day I was there I didn't even know you or Vicka, but I'm glad I got to know you! All those dumb fights I got into weren't even worth it, even though (the Fights)! This summer will have been sucking. Next year I hope we have parties, and the other girls, and maybe (it they have studyhall too) will be with us. I better save some writing and skip. I better

God how I was getting to know you this year. Have fun this summer and don't get into too much trouble.
